Throughout high school, we come to find out many different qualities in our friends, families, and teachers. Most of all, we find out the many different qualities that have been installed in ourselves.

We learn more and more about these people and ourselves as we live through our adventurous lifestyles. But we do realize that some of these fine days we need a swift kick in the rump to "Get the Picture." Those kind of motivators really get us through our tough questions in life like: "Who should I go with to Homecoming?", "How do I get involved in activities?", "What about my grades?", and "What are people going to think?"

But we realize as we go along, we shouldn’t have to care, and so we don’t. People should show their true colors. Get the Picture?

Seniors Dominate Homecoming Spirit Week

Tradition sets the theme as the Homecoming 1998 festivities dawns on the horizon. Sports, Hawaiian, Hippie, Opposite, and School Spirit marked the Spirit Days, with a few confused males in the process. Who will ever forget all those guys dressed as their female counterparts?! The Junior Class Skit brought us music through the ages, with a Moussed up Joey Gonzalez portraying John Travolta.

Speaking of "Grease", the Liberty Lion Marching Pride saluted the epic's twentieth anniversary with renditions of "Greased Lightning", "Shakin at the High School Hop", and "Hand Jive".

The Rally Squad rooted for our boys as they took down the Northgate Broncos, and gave a great halftime performance. The girls ended up bringing down the house with their "Intergalactic" routine.

Taking a glance at the headline, the first word to come to mind is probably "Duh!" With all their school spirit, the Class of 1999 overpowered the underclassmen in all competitions. But, then again, the seniors usually win because it's our senior year. Sorry to get your hopes up, but it's true.

Can't forget the football players, because without them, there really wouldn't be a game, right? Great job guys. You dominated the Broncos, making sure they really got the picture.

Internship

Academy Focus. Internship. Bay Area Apprenticeship Program. School to Career. If these seem to be foreign to you, then you need to take full advantage of the opportunities offered by Liberty.

With all the academics online for both juniors and seniors and the addition of Ms. Leslie Goldring as a new assistant principal, students were offered additional job or career related experiences.

Shown on this spread are those students involved in the Health Careers Internship Program under direction of Mrs. Lori Jokisch. Placing the students in actual job sites has presented a challenge to our school in part because of our community’s size and relative isolation.

With BASRC funds available, students were able to explore career opportunities with field trips to museums and the Culinary Institute as well as visits by professionals in the performing arts field.

Brand new this year was the apprenticeship exposure program. This program took the same group of students around the Bay Area to job sites to allow the students to see first hand various crafts and ask questions of their guides.

All these experiences were designed to provide career information to students.

Successfully surviving their third year at Liberty, the Junior Class began looking into life after high school. With the help of their advisors Rose Borunda and Chris Calabrese, the class of ‘00 elected Margaret Cruz, president; Megan Macdonald, vice president; Joey Gonzalez, secretary; and Jessica Allen, treasurer.

Beginning with Homecoming Week, the Junior Class showed their spirit with their float entitled "Ahead Above the Rest," earning them second place in the competition.

The Class of 2000 raised funds through candy sales and the new class tee-shirts in order to lower the price of Junior Prom tickets. The Prom, themed "Don't Want to Miss a Thing," was held on May 8, 1999, at Center Concord.

Sponsoring the St. Patrick’s Day Dance, the class used the surplus profits for the time capsule planned to be buried at the dawn of the millennium. The items that will be contained in the capsule represent student life in the twentieth century. It is planned to be opened in the year 2025.

Looking forward to the upcoming year, the Class of ‘00 prepared themselves to be the big seniors on campus. Ready to take their positions as leaders of the pride, juniors learn what it takes to be a role model to the underclassmen.

May 8, 1999 was all about the Junior Class. It started at 7:45 and ended at 11:45 in Centre Concord, and the night was filled with fun and dancing.

No Joke Productions started off the night with "YMCA" by the Village People and "I Don't Want to Miss a Thing" by Aerosmith which set the theme for the annual prom.

Juniors and their dates had all kinds of snacks including punch, brownies, cookies, and rice-crispie treats; the hall was nicely decorated with balloons and streamers.

At the end, the DJ asked for addresses for after the dance parties and told everyone to be very careful driving home. When all was said and done, the juniors left the prom with many memories of a fun evening.

Liberty's Sophomore Class lead by Ilene Foster and Darren Price, advisors, have had a terrific year. A very spirited and enthusiastic class, they are looking forward to the next two years at Liberty High.

No one knows this class better then Loren Black, vice-president; Chris Sickenberger, president; Brandy Schwitters, secretary; Bill Weaver, treasurer; the Sophomore Class officers. They have worked extremely hard this year to raise money for the class of 2001's many expenses.

With the help of their advisors, the sophomores worked hard to prepare their Homecoming Float entry for the annual parade. They tied for second along with the juniors and freshmen.

Keep it up class of '01, only two more years to go!

Sophomore Class 67
Three Sophomores Share Spotlight at Hop

Holding a major dance like the Sophomore Hop in the school cafeteria might sound like a drab idea but class officers and advisors as well as parents and student volunteers transformed the place into a beautiful, magical showcase.

With bright street lights and backdrops of city buildings and a night sky, the sophomores and their dates enjoyed the evening's festivities. Included in the evening activities were mouth-watering snacks and great music played by the DJ.

Earlier in the week the Sophomore Class had selected their royal court that consisted of Brandi Schwitters, Natalie Casey, Kristy DeBernardi, Casey Billingsley, Katie Flashberger, Chris Kincheloe, Angelo Lorenzetti, Derek George, Clark Rudd, and Donny Laflamme.

One of the highlights of the Hop was the announcement and coronation of Natalie Casey as princess while Angelo Lorenzetti and Chris Kincheloe were named princes.

As the Class of 2002 came in, they had high expectations for themselves. As the first class to start the new standards and benchmarks they had to set their goals higher than any class ever before.

With the help of their advisors Mark and Sharon Johnson, they elected their first officers as Trevor Johnston, president; Erin Kruse, vice president; Kim Summers, secretary; and Amber Adams, treasurer.

The Class of 02's Homecoming Float was "Bury the Broncos!" They stuck together and as a result they got second place in the float competition.

With candy sales, they raised money for their future activities. As the year progressed, they got a picture of what high school life is like.

Beating Deer Valley in front of a packed gym was a great experience. Robert Moreno NCS champion, David Hays league Champion, Jason Fletcher, Caleb Hargus and Christian Bowerman made a good impression. This year’s Varsity Golf team, led by Chad Fisher, team captain, had a strong showing in tournaments they attended. They placed second place at Sal V. Aiello Invitational at Discovery Bay, where Jay Westerland broke the tournament record with a 69. The original record was 71, which Zack Spinuzzi of the Varsity team tied. Zack Spinuzzi and Jay Westerland were both awarded the Gino Aiello All-Around Golfer award. This year competition was stronger than ever, with eight out of ten teams breaking the 200 barrier. Our team placed third overall. This was a step down from last year’s second place. Out of the 18 league games we played 14 were won. Some highlights of the season were second place at the Tracy Invitational, and third place at the Liberty Classic.

Baseball Finishes Season with .500 Mark

Batting number one ranked Deer Valley 5-2 was the highlight of this year's Varsity baseball team as they finished league in fourth place with a .500 record.

Lead by first year (for Liberty) coach Jeff Jones, the Lions completed a 9-9 overall record with a 7-7 league mark to finish in a tie with Northgate for fourth place.

Paced by the hitting of Matt Delosier and pitching of Doug Morrison, the Lions were helped in the infield by Dan Hill and by outfielder Eric Dockter who also lead the team in stolen bases.

Coach Jones was pleased with the tremendous support from the administration, parents, and Rod Beaver, athletic director. Dockter earned the scholar-athlete award.

McCall Coaches Both Softball Teams

Girls Frosh Softball Team:
Once again, Lion track and field ended the season with a fierce growl. Seniors Stephanie Jzyk and Stephanie Ksenzulak were selected as two of the Bay Area's top 100 athletes. The Varsity girls 1600 took second place at the Martinez Relays. Jzyk, Ksenzulak, as well as senior Erin Ongman and sophomores Sarah Burgess and Janice Rivera all qualified for North Coast Sectionals. Jenny Graham and Alena Cook were frosh/soph BVAL Champions for the 110 meter hurdles.

The track teams selected Kevin Skipper, Patrick Tompkin, Jzyk, and Ksenzulak as '99 team captains. Although there are many high caliber senior track athletes graduating, there is a young, hard working, and motivated group of athletes that will make for a great team in the coming years.

Reinke Leads Girls to League Victories

In one of the most competitive leagues around, the Varsity girls ended up 5th overall at the BVAL Championship Finals. At the finals, five girls earned a trip to NCS in 7 individual events: Kira Linsmeier in the 500 Freestyle, Jodie Milburn in the 100 Butterfly, Haley Pantle in both the 100 Backstroke and the 200 IM, Kiley Reinke in the 100 Breaststroke, and Shawna Shipley in both the 50 and the 100 Freestyle.

The girls’ 200 medley relay team of Reinke, Milburn, Shipley, and Pantle also earned an NCS automatic time along with the girls’ 200 relay team and the girls’ 400 relay team of Chrissy Storrer, Stacy Somerhalder, Holly Strle, and Reinke.

Led by captains Stephanie Ghilarducci, Reinke, Holly Hornaday and Kiel Olff, the water Lions placed sixth at the De La Salle Invitational against 27 teams. In the best overall record in years, the Varsity girls completed the season with a 5-4 record. The JV girls also finished with a record of 5-4 while the Varsity boys team earned a 2-7 record. The small boys team consisted of 7 members and has a lot of potential for the future.

“Team work makes the dream work” themed the positive, hard-working group of athletes. With the most talented group of freshmen at Liberty, coaches are looking forward to great things in the future.

September 25, 1998, marked the annual Liberty Renaissance Faire. Once again, the Visual and Performing Arts Academy put on one great show, with hair braiding, wreath making, and even a visit from William Shakespeare himself. (Great Job Matt Hess!) Also present was the LHS Chamber Singers, dressed in period attire, serenading the crowd with excellent madrigals. Performing as well were musicians from the Napa Valley Renaissance Faire, teaching young and old traditional dances and songs.

This year’s faire was also opened up to elementary school children, who arrived in traditional garb. Tiny jesters, kings, and princesses romed around the AC area, making baskets and getting their fortunes told.

And how could we forget our beloved queen? This year’s royal summons was awarded to Assistant Principal Leslie Goldring, and she was given an announcement that all could hear. Great Job to all participants!

Austen's Words Brought to Life on Stage

Jane Austen's "Pride and Prejudice" was portrayed wonderfully in Playmakers fall production. Excellent costumes, well crafted sets, and Matt Hess with his bow, all came together to create the story of the Bennet sisters and their romantic troubles. Elizabeth Bennet, played by Jessica Variz, was a witty, intelligent, stubborn girl whose love is pined over by the mysterious Mr. Bingley (Kris Blount).

Other characters included the hilarious Mr. Collins (Hess), Mr. Bingley's partner in crime, Mr. Darvy (Brian Moore), the villainous Mr. Whickam (Rick Mulford), and the troublesome Lady Catherine (Arwen Imai) who always gets what she wants. In the end, true love prevails, and Mr. Bingly gets what his heart desires...the lovely Elizabeth Bennet.

July 1998 proved to be the best thing that ever happened to the Liberty Lion Marching Band. Over two weekends, Liberty Guard members, Drum Major, and Officers spent time with the United Spirit Association to make the 1998-1999 successful and exciting. Leading the pride on the field was none other than Drum Major David Ortega, a senior with high hopes and great skill. Backed up by Drum Captain Rico Garcia, Guard Captain Amy Nobriga, Student Director Daniil Smith, and of course with the help of Band Director Robert Smith and Guard Instructor Rennie Last, the Marching Pride performance crew put out some awesome half-time shows, including a Homecoming Spectacular celebrating the 20th Anniversary of the movie "Grease."

The Marching Pride also traveled to University of California, Berkeley to participate in the annual Cal High Band Day. Band members got to root for the Bears, entertain Cal students and alumni, and get rained out...all for the love of band.

Once concert season started, the Liberty Symphonic Band received a Superior at the Annual CMEA Band Festival, a tradition held by the Liberty Bands for quite some time. The Jazz bands, under the direction of not only Mr. Smith but also Alumnus Justin Wilson, also took part in numerous festivals, and the tradition of excellence was held up there as well.

As the year comes to a close, the Liberty Choirs have a lot to be proud of. Chamber Singers ventured to the Cal State Hayward Chamber Festival and did extremely well. A Cappella traveled to Yuba College and blew everyone away. Women's Ensemble took their annual trip to the Central Valley Choral Festival, and Men's and Women's Choruses went to Downey High to be critiqued. The best moment of all was absorbed by the Six Bits Barbershop Chorus, as well as the ever-beloved JAG. The group was invited to participate in the Devil Mountain Barbershop Program in December, and received a Standing Ovation.

The Annual Choir Tour (#219) sent CS, AC, WE, and Six Bits down the California Coast to Magic Mountain, where the crew enjoyed an afternoon of sun...well, just sun. LHS was also home to the CMEA Choral Festival, and for the sixth year, the Festival was a complete success.

For the first time ever the FFA became involved in steer shows. With students expressing an interest in these showmanship events, Mr. Don Lopez, advisor, took students to the shows. Along with the steer shows, FFA members went to swine shows, leadership conferences and occasional bowling trips.

For the first time in the chapter's history, they had the distinction of having the State Chapter President being one of their own as graduate Mandy Foreman traveled the state this year fulfilling her duties.

During the school year chapter members traveled to Half Moon Bay, Livermore, and Fresno to be involved in various speaking and leadership contests and conferences. FFA members also faced the spring project competition with judges Mr. Bruce Ghiselli and Mr. Bob Reed visiting members' projects.

Exposed, Expawsed, and Getting the Picture

Mr. Bill Batze, advisor, was faced with a hard decision of who was to become the editor of the '99 yearbook. In the running were three highly-talented seniors. Amy Nobriga in her first year as a junior showed great promise in learning all the ropes of the trade very quickly. Camille Hartman had been with the yearbook for two years before she earned the title of assistant editor and was now ready for the responsibility of being an editor. And John Valenzuela dedicated three years to the LION yearbook staff and was very knowledgeable in computers. The competition was so stiff that Mr. Batze was left with little choice but to choose all three as co-editors for this edition of the LION yearbook.

The year started off with the editorial board meeting in August followed by general staff meetings bringing up the issue of what would be the theme for the '99 LION? The ideas ranged from really cheesy to totally outrageous and sexual innuendos as topics. The annual staff was socially divided which made the debates even more interesting. After weeks and weeks of conversing and arguing and compromising with one another, the annual staff finally decided on the theme “Get the Picture”.

Then the next hurdle to jump was the cover of the book. A selected committee comprised of representatives of each class and the editorial board met and discussed ideas and brought them back to the staff and a whole new debate raged. Finally, we brought together a book we are proud to show the Liberty High School students, staff, and community members. This could not have been done without the key factor—our advisor and his patience, durability, kindness, and humor.

Ms. Elliott Takes the Reins as New Advisor

With changes in the administration as Abe Doctolero, assistant principal, headed to Freedom High as the new head honcho, Director of Student Activities Michael Ybarra stepped up as an assistant principal intern, his Leadership Advisor position now vacant, leaving the student body to answer one question: Who will be the one to replace him?

Their questions were answered during the first week back from summer vacation: Ms. Randy Elliott, as Class of 1999 Advisor, Elliott seemed the perfect choice, and the timing couldn't be better. The Leadership class had a massive amount of projects on their hands, like Homecoming, Pennies for Patients, and Mr. Liberty. With great cooperation and understanding between ASB officers Justin Johnston, president; Brooke Derenzi, vice-president; Genny Ginilo, secretary; and Stephanie Ghillarducci, treasurer; the numerous commissioners, and members-at-large, the group had a phenomenal year.

Mr. Liberty, Leadership's pet project, raised over two thousand dollars for SERF, the Student Emergency Relief Fund which helps out past and present Liberty Students with financial and family needs. Other activities included A Freedom-Liberty Leadership Conference, which helped bridge the gaps between the two schools after the tragic vandalism of Liberty's prize possessions, the two landmark lion statues displayed in front of the school.

New Clubs Join With Old for Fun Times

This year Liberty added a couple new clubs to join with such old stalwarts as FHA, CSF and others. This year was fun for most clubs except Speech and Debate which was plagued by a lack of members and forced to cancel most meetings.

Along with the Playmakers and other clubs, the Rock 'n Roll/Facial Hair Appreciation Club enjoyed a larger membership than last year.

Clubs at Liberty exist for everyone and are put together each year for all to join and have fun. As new needs arise on our campus, students would talk with staff members to enjoin one of them to be an advisor and thus a new club was formed. People in existing clubs were always eager to have others join as was evidenced by the annual Club Rush held in the fall. This one-day, lunch-time activity showcased all the clubs as they encouraged people to join and participate in their activities.

Johnston Named First-Ever Mr. Liberty in '99

Want to add a little spice to your average beauty pageant? Then you should have attended the first-ever Mr. Liberty Contest. Replacing the Mr. G.Q.s of the past, this year's contest introduced many new and exciting events for audience members. One of them was the arrival of a new Mistress of Ceremonies, Ilene Foster. And the guys sure had fun! The contest included rookies Kris Blount, Trevor Johnston, Jason Fletcher, Ray Zaccardi, Casey Gallagher, Victor Rousseau, Austin Peterson, and Brian Wolfenbarger, as well as returning veterans Eric Dockter, Justin Johnston, David Hays, and Rocky Laughlin. The Contest helped raise cash for S.E.R.F., the Student Emergency Relief Fund that helps Liberty students, past and present, who are in financial need.

The Talent portion of the evening went to Kris Blount, who also won people's choice. Mr. Congeniality, which is selected by the contestants themselves, was awarded to Casey Gallagher. But the evening was swept up by the Johnston brothers, with Trevor awarded runner up, and Justin not only took home the formal wear trophy, but was crowned Mr. Liberty 1999.

What do you get when you cross an absentminded magician, a talkative queen, a mute king, and a bed that's seven feet tall? This year's spring musical, "Once Upon a Mattress." The classic story of the Princess and the Pea, this musical version takes place in the castle of Queen Aggravain, played by Arwen Imai, and King Sextimus the Silent, pantomimed by Matt Hess. After 12 complete failures to find a true princess to marry the Prince (Rick Mulford), the kingdom realizes that they may never be married. Finding this to be a dire emergency, Lady Larken, played by Lena Goods, sends the chivalrous knight Sir Harry, brought to life by Brian Moore, in search of a true princess who will no doubt pass the Queen's abnormal tests. Enter Princess Winnifred. The Woebegone (Jesika Sewell), who informs the court, which comes to a big surprise, just how "Shy" she is. Knowing that Winnifred may be the one to pass the tests, Queen Aggravain sets out to test her for "Sensitivity" by placing one tiny pea under twenty of the softest mattresses ever. The final outcome of the test surprised not only the court, but the audience as well.
Joining the Liberty staff as administrators were new assistant principals Mike Ettner and Leslie Goldring while Michael Ybarra continued in his spring role in administration. In the classroom and offices we saw some new faces as well with Jesse Ortega, Spanish; Aline Berand-McCrign, Spanish and French; Beth Decker, English 2 and 3, and Speech Club Advisor; Jodie Edberg, Skills for Learning, Odyssey Group Practice and REACH Coordinator; Suzanne Heimbuven, School Psychologist; Robin Moczulski changed from the Attendance Office to the Counseling Office while Julie Somerhalder became the new person in the Attendance Office.

The Shared Governance Council saw changes as well as Lou Racke became Applied Technology Coordinator and Hilary Pedrotti began to represent the Department Chairs. Mike Ettner took over leadership of the Department Chair Meetings.

Overall, the school prepared for the March visit of the WASC Team (Western Association of School and Colleges Accreditation), continued to work under BASRC funding through the Annenberg Grant, and applied for a Distinguished School Recognition under the new guidelines proposed by the state. With the School to Career emphasis ever more evident, Hene Foster, career technician, pooled resources from the armed forces, public agencies, and private industry to provide a variety of individual speakers for a February Career Day that was deemed to be a huge success.

Please love her and keep her safe in your arms.

Sure, we love you.
Dad and Mom

Where has the time gone?
It was only the other day you were but a small child.
Searching for answers to all your questions. We watched as you grew from babe to child to young lady. It has been a trip we would not trade for any value. Where has the time gone? Only the other day we were helping you with your shoes and zipping up your coat making sure you were ready for the world. We have tried to give you more than needed rope, it hasn’t been easy. You were the first for everything with us, walk, talk, say “NO”, cut your own food, sleep-overs, movies BOYS’ (oh lord have mercy on our souls). You showed us that we can learn while we teach, and teach us well you did! (Your sisters should thank you). Where has all the time gone, seems like just yesterday!!

Forgive us if we continue to look at you like you are still a child who needs help, it’s just the love of parents that makes us do this...and this we will continue to do! We have been blessed with you, and know now just how short this time has been. We are very proud of the person you have become. Reach for the stars!

With much Love and Pride,
Mom and Dad
(aka; Jance and Bob)
PS: Don’t forget to call home when you get where ever your going!

Love,
Dad, Mom and D.J.
It's amazing how much heartache and pain brought us so close together, yet so far apart. We've gone through many changes in our lives, that even the most difficult is yet to come.

Through love and hate, smiles and tears, and life and death, it doesn't matter where the road leads us, we will always be in your hearts.

Whoa baba....

Does everything seem to go BUMP in the night?
Dear Rocco-
You've always made us very proud. You've got a tremendous future ahead of you. With your drive and determination we know you'll be a tremendous success at whatever you do.

Love Always,
Dad, Mom, Nick, and Sam

Class of 1999

Four years ago the class of nineteen-hundred and ninety-nine embarked on a mystic journey. This was to be a life changing quest for knowledge. At the end of this journey lay the holy grail of high school students...a diploma. The diploma signifies a new life, a rebirth of the world, and a new way of seeing. We would now be on our own, but with the experiences we gained from our years at Liberty Union High School, we would be able to conquer this new world.

As freshmen, our spirit guides, Mrs. Sue Colvard and Mrs. Martha Magner, helped us get our goals here at Liberty straight. Our freshman tribe was bigger than any other that had come before us, yet all of this was soon to change but not within our first solar cycle at Liberty. We learned to come together as a group and we built a mighty float. The float struck fear into the souls of Warriors for it read “Devour the Warriors”. We made many friends our first year...friends who would be there for us, friends who would help guide us in our journey and in turn we would help them in theirs.

Our sophomore year we were better prepared for what lay ahead. There was to be a major change for we were now two campuses and we had to share our lands with the Freedom Falcons. This would not last for long because they were planning to move to a site in a different part of the world known as Oakley. They left our lands in the middle of the sun cycle and our tribes abode name was shortened to Liberty High School. This year we still needed guides, but this year one of them was changed. Our new guides were Mrs. Colvard and Miss Kandy Elliott. We once again struck fear into the heart of our enemies with the battle cry “Rock the Broncos”. Throughout the year we held goods sales and raised enough money to have ourselves a grand spirit dance to ensure the well-being of a wonderful year to come.

When it came time to experience our junior year we finally got the gest of what we were here to do. We did not need the help of our guides as much as the year before but we still appreciated the help of Miss Elliott and a new guide, Mr. Lloyd Cornwell. We organized trips to bring the tribe closer together as we visited the majestic wonders of the snow country for skiing and snowboarding. We made a float that made us proud but not the tribal voters; it read “Fry the Falcons”. We were almost to the end of the journey. We were starting to see the world in a new way.

We now knew what the world was about and our advisors Miss Elliott and Mr. Cornwell led us to the new world. As seniors we had to help guide the freshmen and other classes in their spirit journey. We came together as a tribe once again to build another mighty float and this time we won with our slogan “Tail End of the Century”. We took a trip to the water slides to celebrate our success as a tribe. Our last celebration, a consummation of our journey to a new way of life, was the Senior Ball. Then we had a great gathering with all the tribes' people of the community for the graduation ceremony. At graduation we were set free to experience new things in a world we were seeing in a new light for the first time. Our final sun cycle came to an end and as the sun set we realized it would rise the next day and we would be able to go into the world to start our new life as full members of the community. by Brandon C nibusas, Class of 1999
Above left: John Koenig shows us his famous moves on the dance floor; above: two guys relax at the snack bar set up for the Senior Ball; left: Chris and Jamie enjoy the music provided at the Golden Gate Fields club house for the seniors and their dates; right: sporting a fine looking coxon hat, Mike Nickerson concentrates on his dancing; below: even though liberty is not thought of as primarily an agricultural community any longer as we become more urbanized, the seniors and their dates were quick to get into line dancing and kick up their heels a little.

Left: Luke and his date seem to be into a serious discussion as they take time out from dancing to relax at the tables set up for the seniors and their dates; below: Riley Koeke and Amanda Haskins look like they are bored out of their minds, not hardly. Both girls and their dates enjoy this last dance of the year and of their high school career.
Even though we all have been to many dances throughout high school, we will always take with us how special the Senior Ball was. The Class of 1999 Senior Ball was held at Golden Gate Field on May 22, 1999.

As you walked through the doors you see the beautifully dressed tables and large windows overlooking the race track and then off to your right a view to remember of the beautiful bay. Kicking off the dancing night with some old school was “Summertime” by the Fresh Prince and DJ Jazzy Jeff, the night was sure to be great one.

During “Party Like It’s 1999,” you could see the excitement and emotions of all the seniors knowing that this was their last dance of their high school career!
June 4, 1999 marked the end of something great and the beginning of something awesome. Inspired by our principal, Gene Clare, we will always remember our ABCs.

The Class of 1999 speaker, Desiree Rezentes, gave us hope to accomplish all our goals and board president, Holly Hartman, reminded us all to bundle up as we face the challenges ahead.

Some of us will travel great lengths to reach our destination, by way of a four year or two year college. Others of us will brave the real world head on by entering the work force.

But no matter where the road may take us, we will always look back and remember when, lead by ASB president, Justin Johnston, we moved our tassles from right to left, and became the graduated Class of 1999!
Left: Justin Johnston and Brooke Derenzi, ASB president and vice-president, enjoy Graduation. Below: Eric Doctor accepts his diploma from Joanne Byer, board member. Right: John Valenzuela grins hugely at Holly Hartman, board president.
